

PRODUCT DESCRIPTION

The mountable Solar LED Motion Wall Light is the perfect way to illuminate small gathering areas, workspaces and patios without the headache of wiring. This product uses a daylight sensor to turn on its dim ambient light and will illuminate to full brightness upon detecting motion. This highly efficient light comes with an integrated solar panel or an external solar panel to give you the option that best fits your needs.

SPECIFICATIONS/FEATURES

- Battery: Lithium-ion Battery 2200mAh/4400mAh
- Lamp Power: 5W/6W
- LED Lifespan: 50,000 Hours
- Working Temperature: -10-140°F
- Solar Panel: 3W
- Water Resistant (IP 65)
- Charge Time: 6-8 hours in bright sunlight
- Lasts 3-5 nights on a single charge
- 1 Year Warranty
- Control: Daylight sensor for low light and motion sensor for bright light
